I am a skilled and dedicated animation and multimedia artist. I am also well-versed in Graphic Design. I am adaptable, focused, and always willing to give nothing less than my best.

Work Experience

Animator-Digital Effects

The Human Communication Studio LLC - Tucson, AZ

March 2018 to July 2018

Worked with Production Manager, Communication Strategist and Animation Lead to create high quality motion graphics for video lectures with Adobe After Effects.

Used After Effects to rotoscope and composite green screen footage.

Education

Bachelor of Arts in Media Arts and Animation

The Art Institute of Tucson - Tucson, AZ

October 2011 to June 2016

Multimedia Certificate in Computer Animation

Fullerton College - Fullerton, CA

June 2008 to May 2011

Skills

- Created 3-minute 3D animated short film within 4 weeks - designed, modeled, textured, and animated most productions using Autodesk Maya for 3D work
- Photoshop for 2D art/texturing, and Adobe Premiere for final editing. Used premade character rigs for character animation, and created new characters and props from scratch.
- 3D animation
